10 UNITED STATES DISTRICT COURT  
11 NORTHERN DISTRICT OF CALIFORNIA  
12

13 Janet Brown et al.,  
14 Plaintiff/Petitioner,

15 v.

16 CITY AND COUNTY OF SAN FRANCISCO  
17 et al.,  
18 Defendant/Respondent  
19

Case No.: 24-cv-00466

20 **MOTION TO RESCHEDULE THE CASE**  
21 **MANAGEMENT CONFERENCE**

22 **TO THE HONORABLE COURT:**

23 Plaintiff Janet Brown respectfully submits this Motion to Reschedule the Case  
24 Management Conference in this matter based on the following reasons:

25 **I. Background**  
26

27 On, October 18, 2024 this Court scheduled a Case Management Conference to  
28 facilitate early case organization and encourage settlement discussions as per Federal Rule of  
29

---

1 Civil Procedure 16. Plaintiff filed a joint case management statement on October 29, 2024 at  
2 00:08. However, due to the Defendant's et al., failure to respond to initial complaints and  
3 other filings, the joint Case Management Statement submitted reflected Defendant's  
4 non-responsiveness, and as a result, the Court vacated the originally scheduled Case  
5 Management Conference on November 4, 2024.

## 6 7 **II. Request to Reschedule Case Management Conference**

8  
9 Plaintiff seeks the Court's assistance to reschedule the Case Management Conference  
10 to provide guidance for the case progression given Defendant's continued lack of response.

11 Plaintiff believes a rescheduled Case Management Conference is essential to address  
12 preliminary issues, particularly those stemming from Defendant's non-compliance with  
13 standard procedural obligations, including a lack of participation in required disclosures and  
14 communications, as mandated under Federal Rules of Civil Procedure 26(f) and 16(b).

## 15 16 **III. Relief Sought**

17 Plaintiff requests that this Court:

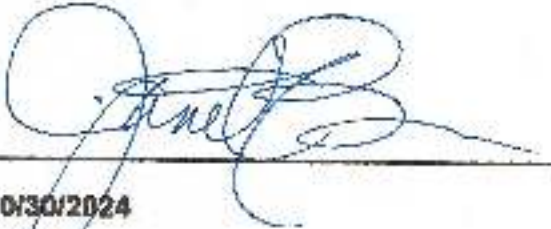

18  
19 1. **Set a new date for the Case Management Conference or a Settlement**  
20 **Conference** at its earliest convenience, within 30 days of the date of this motion to address the  
21 procedural direction and management of this case in light of Defendant's non-responsiveness;  
22 or to discuss compensation for the injuries and aggravated damage caused in this case.

23 2. **Enter entry of default and dismissal with compensation** of \$100,000,000.00  
24 for violations of rights and because the Defendant has remained, for the better portion of one  
25 year, consistently and evidently unwilling to participate and remains unresponsive.

## 26 27 28 **IV. Conclusion**

1 For the foregoing reasons, Plaintiff Janet Brown respectfully requests that the Court  
2 grant this Motion and reschedule the Case Management Conference at the Court's discretion,  
3 and allow this case to proceed.

5 Respectfully submitted,
